**SECOND ORDER MODIFYING THE ORDER FORMING

The Koontz Lake Regional Sewer District (the "District") was previously established by Order of the Indiana Department of Environmental Management (IDEM), dated May 26, 2006, ("original Order"), for the purpose of collection, treatment, and disposal of sewage. The Order stated the District shall file with the Commissioner of IDEM, a detailed plan for the construction and operation of the District's facilities by December 11, 2007. On or about October 16, 2007, the District Board petitioned to amend the Order. The First Modification Order was granted and extended the timeframe for the submittal of the district plan to December 11, 2008.

On or about October 10, 2009, the District, by its Board of Trustees, petitioned to amend the First Modification Order, pursuant to I.C. §13-26-1, by requesting an extension of time to file the District's Plan as described.

The Commissioner of IDEM now orders that the Order of May 26, 2006, forming the District and the First Modification Order, be amended. The Commissioner approves the District's request to extend the time to submit their district plan. The Commissioner hereby orders that the District submit its plan by October 1, 2010. In all other respects, the District shall remain subject to the terms of the Order dated May 26, 2006.

Pursuant to I.C. § 4-21.5-3-5(f) and I.C. § 4-21.5-3-2(e), this Second Order modifying the Order forming the Koontz Lake Regional Sewer District, becomes effective eighteen (18) days after its mailing.
